# paymentez

How-to-buy Guide

Paymentez allows you to make purchases in your favorite games easily and securely. It offers payments online and via cash in physical points.
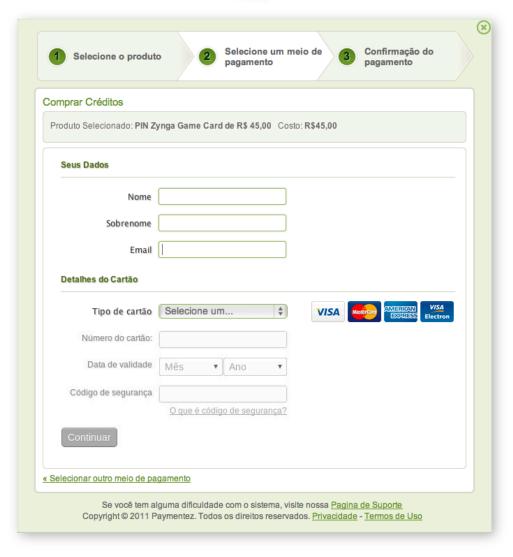

Here's how it works…

# 1. Choose your payment method

2. Online Payments

For credit card, debit card, boleto, PagSeguro, and MercadoPago click on the option, enter the requested information, and your account will reflect the purchase shortly thereafter.

3. Cash Payments

If you want to pay in cash, you can buy a PIN Paymentez. To find a list of the stores and internet cafes closest to you where you can buy, click here:

paymentez.com/where-to-buy

How to pay in cash

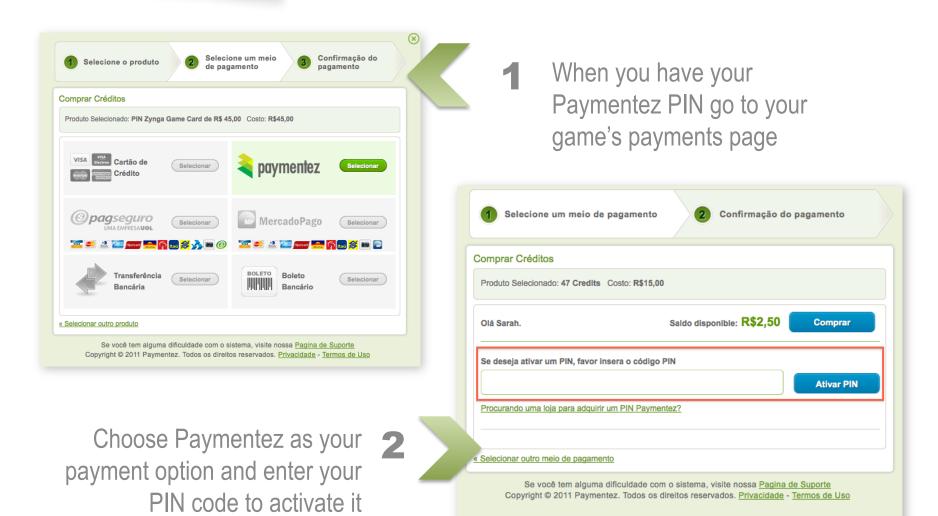

Once you have given your money to the salesperson, you will receive a receipt, or if you purchased at a Lan House, you will get your PIN via email.

How to use your PIN

1 When you have your Paymentez PIN go to your game's payments page

Choose Paymentez as your payment option and enter your PIN code to activate it **2**

Congrats! Your account will immediately reflect the purchase!
